AT CHRIST CHURCH

SUNDAY.

The musical service at Christ church on Sunday evening was again excellent. The singing of the choir was bright and spirited, the voices of the Misses McClay and McGill blended well in the duet, Mendelssohn's "I Waited for the Lord," to the ensemble with the chorus at the ending being fine. Miss Ada White was particularly successful in "The Plains of Peace," a charming song, well sung. The organ accompaniments were appropriate, skillful and inspiring.

AGAIN WE'RE

BOWING!

We're acknowledging this morning a generous "chunk" of the huge 37 pound stick of candy which figured in the recent Sacred Heart fair, the person guessing nearest the correct weight having been awarded the candy, which had been presented, in the beginning, to Miss Sadie McHugh by a large candy firm. It's a good sort of candy too—peppermint, so numerous samplers said, and—well, we're all stuck up on ourselves, as a result! Something sticky!

MISS ADA M'UGH ONLY

CONVENT GRADUATE.

Miss Ada McHugh, the charming daughter of Mr. and Mrs. Pat McHugh, is the only graduate at the Convent of Mercy this year, being thoroughly deserving, however, of all the honors which are being conferred upon her. Besides being a bright student, she is also much admired locally for her charm of manner and personality, and will be one of the very prettiest "Sweet Girl Graduates" of the city this year.

SOCIETY OUT IN FORCE

LAST NIGHT.

Elsewhere in The Journal this morning an account will appear of the commencement exercises which occurred last night at the Pensacola opera house.

Pensacola, proud of her boys and girls, never fails to do honor to this most important event, and the opera house was filled to overflowing with enthusiastic relatives and friends of the young people who watched with untiring interest the events as they were occurring on the stage. A class of ten representative Pensacola young people it was, a credit indeed to the school and to the city, as this morning's account will show. The work has been of an exceptionally meritorious nature this year, and the students who were graduated are deserving of all the honor which has

THE SHAKESPEARE

CLUB.

After a season filled with good work and social triumphs the Shakespeare club held its last meeting until fall yesterday morning at 11 o'clock at the home of Mrs. C. J. Torrey.

The meeting was largely attended and was presided over by the first vice president, Mrs. John G. Mann, in the absence of the president, Mrs. E. S. Colston.

The modern drama, "Peer Gynt," which has furnished the reading for the last two meetings, was completed yesterday and afterwards discussed and made a most enjoyable literary feast.

Following this came the report of the historian, which was given by Miss Adele Batte, and which showed the splendid work the club has accomplished this season.

Mrs. Esther Colston gave the treasurer's report which showed all financial obligations had been met by the club and that it was in good financial condition.

The election of officers then followed and as so many of the officers filled their chairs so admirably many of them were re-elected.

Mrs. C. E. Colston was re-elected president; Mrs. John G. Mann, re-elected first vice president; Miss Elizabeth Fonde, elected second vice

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by the use of the Eustachian tube, which is inflamed by the mucous lining of the Eustachian tube. This tube is inflamed by a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless this inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Halls Catarrh Cure. Send for circulars free.

president; Mrs. T. W. Sims, re-elected recording secretary; Mrs. A. W. Goldsby, re-elected corresponding secretary; Mrs. Elmo Davison, elected treasurer; Mrs. R. M. Elder, elected historian; Mrs. C. J. Torrey, elected director; Mrs. James O. Smith, elected delegate.

A rising vote of thanks was then given to Mrs. C. J. Torrey for the generous use of her home for the club's meetings, and she proved as hospitable as ever and placed her home at their disposal again for next season, the first meeting to be held the first Saturday in October.

The club, which is always up and doing, thanks to its prospectus committee, composed of Mrs. John G. Mann, chairman; Mrs. T. W. Sims, Mrs. James O. Smith, Mrs. C. J. Torrey and Mrs. F. N. Ruse, has now its program and study arranged for next year, the following plays having been selected: "Two Gentlemen of Verona," "Much Ado About Nothing," "King Lear," "King Henry VIII," and "The Merry Wives of Windsor."

Before the meeting disbanded the members were brought socially together while Mrs. Torrey regaled them with light refreshments.—Mobile Register.

AFTER FIFTY

YEARS.

Judge John Thomas Porter and his good wife, of Grand Ridge, passed through our city last night on an extended "bridal trip" north.

Our readers will recall the "Golden wedding" of this good couple, on first of last September, when all their children, children-in-law, and grand children were with them, and a glorious time was enjoyed. They are now starting to visit their former homes in five states, Alabama, Iowa, Illinois, Kansas and Pennsylvania, the last in order being their birthplace, and where they were married, and from which they removed, fifty years ago the coming October. They are making their journey so as to group a number of chateaus, and be absent for about four months. Time has dealt wonderfully kind with these good people, both being in unbroken health, the judge never having owned or used, a cane until his seventy-third birthday last Sunday. They have been in Grand Ridge for the past 20 years, and made many friends there, and all over West Florida, who will wish them as much bliss as they could have enjoyed fifty years ago.
